RE: Hazardous Waste Remediation of the former Westlake Natural Gas Plant near
Maryneal, Texas

Parties: Kerr-McGee Oil & Gas Onshore / Anadarko Petroleum Corporation /
ENSR / AECOM / JWS Restoration Services

From 2005 through the present, please produce the following documents:

1. All permits and/or permit(s) by rule, including any addendums, revisions, withdrawals, and/or amendments thereof, obtained by any party, at any time, and submitted to the EPA to engage in the remediation of the Westlake Site.
2. Please produce any and all communication(s), order(s), cease work order(s), warning(s), citation(s), and violation(s) issued by the EPA to any party concerning the Westlake Site.
3. Any and all Remedial Action Plan(s) pertinent to the Westlake Site.
4. Any and all finding(s), report(s), summary(ies), and/or investigation(s) implemented by the EPA concerning any party and the Westlake Site.
5. Any party's Health and Safety Plan submitted to the EPA in connection with the Westlake Site.
6. Any and all correspondence, whether written or electronic, from any party to the EPA concerning the Westlake Site.
7. Any complaint(s), whether anonymous or otherwise, made by and person(s), agency, and/or entity(ies) concerning any party, and/or an affiliate of any party, in connection with the Westlake Site.

8. Any and all remediation proposals relating to the Westlake Site.
9. Any and all applications and permits relating to remediation at the Westlake Site.
10. All daily activity reports submitted by any party in connection with the Westlake Site.
11. All closure reports submitted to the EPA by any party in connection with the Westlake Site.
12. All Safeland and HAZWOPER certifications submitted by any party to the EPA in connection with the Westlake Site.
13. All task hazard analyses submitted by any party to the EPA in connection with the Westlake Site.
14. All documents relating in any way to "air monitoring" and/or "air monitoring plan(s)" at the Westlake Site, including but not limited to those specifically referencing PCBs.
15. All documents relating to the remediation of PCBs and the Westlake Site.
16. Any and all storm water pollution prevention plan(s) relating to the Westlake Site.
17. Any and all documents pertaining to Mercury at the Westlake Site.
18. Any and all documents pertaining to asbestos and/or transite at the Westlake Site.
19. Any and all map(s), diagram(s), photograph(s), video(s), recording(s), and/or presentation(s) concerning the Westlake Project.
20. Any and all ESL lists pertaining to the Westlake Site at any time(s).
21. Any and all Corrective Action Report(s) and/or Corrective Action Plan(s) concerning the Westlake Site.
22. Any and all wipe test lab results pertaining to the Westlake Site.
23. Any and all communication(s), correspondence, and/or email(s) by and/or between James Sales and any party, and/or affiliate thereof, including but not limited to, Linda Kuhn, Ross Heberle, Scott Hanson and/or Brian Noonan.
24. Any and all Hazardous Material Data Sheets concerning the Westlake Site.

25. Anadarko's June 30, 2014, full response to the EPA.
26. Any and all daily tailgate sign-in sheets concerning the Westlake Site.
27. To the extent applicable, any and all documents of the above described requests which pertain in any way to property adjoining the Westlake Site, including but not limited to the 69 Ranch.

For any clarification(s), questions, concerns, payment information or to address any issue which would result in a problem or delay, please do not hesitate to contact me using the above information. If I cannot be reached there, contact me on my cell phone (318) 237-1900.

Sincerely,

A handwritten signature in blue ink, appearing to read "H-H-B. L".
